

# Robbery - Assault Occur Twice Here

Mrs. Mary Welty of Rodell's Department Store was hit on the head with a blunt instrument and the cash register robbed of approximately \$200 Wednesday morning about 10 o'clock by a negro man 25 to 30 years of age.

After making a purchase in the store, and after she turned to make change, the customer hit Mrs. Welty and made off with the cash in the register.

Mrs. Welty reports that her assailant hit her several times, twice after she had fallen. She crawled to the front door, went next door to Chappell & Betner, where aid was given her. (Mr. Welty an employee of Chapman Brothers left Tuesday morning for Ohio and up to press time he had not been contacted.)

Police have identified an individual whose record of operation is the same as in both cases. Mrs. Welty was in the store at the time of the robbery. Mrs. Welty was in the store at the time of the robbery.

## Representative Roberts Reports

### Belle Glade Charter To Pass Soon Boca U Gets 1st And 2nd Priority

Mr. Roberts reports that the Legislature enters the final two weeks of the session with much of its major legislative program still unpassed, and unless there is a great increase in consideration of bills much of the original program will be left uncompleted.

Our representative also feels that "it is apparent that there will be no new taxes."

The magistrate's bill has become a law and much help is anticipated to folks in the Glades.

He promises that the Belle Glade Charter will be passed sometime this week.

The delegation is proud of the fact that "operating funds of \$300,000 was included in first priority in both houses and senate appropriations committee and construction funds were approved and placed in second priority for Boca University. This means that if the economy shows any upswing and funds become available construction will be started within this biennium."

Mr. Roberts is struck with the fact that "this session has been rather unusual in the lack of any controversies."

## Four Lane Highway Asked For Pahokee

A delegation from Pahokee, headed by M. K. Keen, and including members of the city commission, won county support Monday for road improvements in that Glades community.

The group presented a petition signed by some 300 Pahokee residents, calling on the State Road Department to provide an adequate and safe highway thru Pahokee.

Keen told the commission that a four-lane road was needed in the Pahokee business district.

The county board, at the suggestion of Commissioner Paul Rardin, accepted the petition and instructed that it be forwarded to the State Road Board with concurrence of the county.

## Welty Wins State Track Championship

Robert Welty of Belle Glade won the 100 yard dash and 220 yard dash championships in the recent Class A State Track meet at Gainesville.

Welty, who is only a junior, moved to Belle Glade from Ohio at the beginning of last year. Upon entering Belle Glade High school he had participated in no athletics. In his first year of track as a sophomore, he ran chiefly in relays and helped to qualify the 880 relay team for the state meet last year. When track season began this year, he concentrated on running the 220 yard dash, and went undefeated through three meets. He then began to run the 100 yard dash.

Welty continued his winning ways for the remainder of the season, in the course of which he won the County, State Conference and District championships in both events. His best time in the 100 is 10.0 in

## Local Bolita Raids Effective, Rewarding

The recent disturbing - to everyone except bolita operators, it seems - raids conducted by the Sheriff's Department causes folks to think of bolita as it relates to the Glades, and particularly to Belle Glade.

The charge that enforcement officers in the county are in "caboose" with bolita operators without designating just who, where and when also causes eyebrow raising.

A check at our local station turns up the facts that since January 1st the Belle Glade Police Department was had 19 bolita cases with fines ranging from \$100 up \$500 plus 90 days and the confiscating of more than \$2,000.

There have been three charges of possession of gambling equipment and 47 gambling cases, successfully prosecuted.

The law wolf activities of the sheriff and wholesale charges against city policemen about being in league with bolita boys hasn't made policemen thorough out the county's municipalities lose the sheriff - not much.

The Sheriff apparently was as studious and effective in his raids as our State Department, intelligence department and the Glades Police Department. Mr. Castro's stronghold.

## Seven New Families 21 Folks Housed

Mr. Price, General Factotum of the Chamber reports that during the immediate past week his organization has located in Belle Glade homes seven families with a total of twenty-one persons.

One of these is an executive of a sugar operation, and the list covers activities which account for substantial citizenship of the community.

"We may not solve all problems brought up by," says I. L. Price, "but we will find us TRYING."

We haven't figured how many shirts, socks, pants, socks, razors blades, innerspring mattress or rocking chairs these new folks will buy from our stores, but it's a cinch they'll be frequent visitors and customers of the barber shops, beauty parlors, gas stations, car dealers and the bowling alleys.

Some of them will most likely come up with a stomach-ache or a cold and need some "pillers," and they possibly own a camera or two among them that will need films and developing. Some of their kids will go to school undoubtedly.

Now, whether you "give the eye" to possible business, or are just an ordinary good citizen, polite and a feeling for your fellow man, especially neighbors, welcome these newcomers when you see them and tell them of our churches, schools, civic organizations and other activities of interest to good citizens.

There're other folks who have come and will come into Belle Glade too, that I. L. hasn't seen. Give them a thought too.

## Close Tells Civilians Of Fla. School Finances

"Florida ranks 38th in the nation in percentage of state and local taxes spent on education," Herman Glue told Civilians at their regular weekly meeting.

"We find that teachers in 24 states are paid more than those in the Florida system," the speaker told his audience.

"In '61' the speaker continued, "the average expenditure per child was eighty dollars, per child less than the state average. Florida ranks 39th in the nation in average expenditure per child."

Civilians expressed their interest in the subject in a question and answer period following the talk.

## Boy Scout Campaign For Funds Under Way

The Gulf Stream Council comprises 72 units and has a camp which was donated to the Council by the State of Florida. It is located near Jupiter with 16 cabins and other facilities where Scoutmaster James are held and where boys are taught how to cook, how to play, and how to gain self confidence and leadership in the most practical manner.

The Scoutmaster is in scouting, they are taught the use of various tools; they are expected to obey the Scout Law and at the same time have fun and develop leadership. It was pointed out that soldiers who had previous Scout Training were able to do better work than those not so trained.

The Boy Scout Fund raising campaign is getting underway in Belle Glade Monday, May 22. It is hoped that sufficient funds can be raised with which to employ full time Scout representatives for the area since the Gulf Stream Council last year raised \$11th out of \$40 in the U. S., and the highest percentage growth increase was in the Glades district which comprises the Southern Area of the Council.

With Mr. Campbell was Paul Luce, Field Scout Executive, Glades District and C. M. (Mac) Gasking, Rotarian and Scout Executive from West Palm Beach.

## It Isn't The Need But It's Handy!

I. L. Price, our Executive Secretary of the Chamber of Commerce, when asked, "When will we have a summer?" because of his conversation about memberships he DIDN'T have, replied:

"We don't have to close; we're enough cash to keep going and expect to energetically continue serving the public. However, we do want more of our members to remember that we are here serving them and the public six days a week, and deserve their financial support, to the extent of annual dues."

"Several memberships have come in this week, and it makes us feel good."

## Forge And Field Crops Field Day Covers Corn And Sugarcane As Forage

R. Kent Price, Assistant Agent for the county will provide Friday, the 26th at the Everglades Experiment Station at the presentation of research reports on field and white corn varieties tests, popcorn, and field practices in their production. Insect control will be one of the subject reported on.

The following is the program worked out for the benefit of all who are interested in the subjects to be discussed, and the public is invited to attend the practices in their production.

RESEARCH STAFF PARTICIPATING

Dr. Victor E. Green, Jr., Associate Agronomist  
Dr. Joseph R. Orsenigo, Assistant Horticulturist  
Dr. Emmett D. Harris, Jr., Assistant Entomologist  
Mr. Ferdinand de Grand, Assistant Sugarcane Agronomist  
Mr. Theron W. Casselman, Assistant Agricultural Engineer

A. M. Assembly and Registration 9-45  
Presentation of research reports on subjects including:

1. Field corn variety tests.
2. White corn variety tests.
3. Popcorn variety tests.
4. Skip-row field corn planting.
5. Solid (drilled) corn for forage.
6. Weed control in field corn.
7. Corn insect control.

The discussions will be short reports with periods allowed for questions and answers. You are invited to participate.

11:00 Tour of experimental and demonstration plots.

# Beans, Celery And Radishes Over Last Year's Total Corn, Leafs, Peppers And Potatoes In Sales

## Junior High Site Ordered Obtained

School Board member, Milton Carpenter informs us that the County School Board ordered its attorney proceed with posting of bond and actual taking of the twenty-acre site just north of the high school, as a site for Belle Glade Junior High.

This is the legal procedure necessary for the actual taking of the site. Details of price to be paid to be determined by the court.

Mr. Carpenter informed us that the first use of the site will most probably be for the elementary grades as they are bursting at the seams now for space.

## "Big Water" Steal Appears Dampened

The county commission was optimistic this week that the county will keep Lake Okechobee within its boundaries despite threatening legislative action to divide the lake between several bordering counties.

The letter to the commission from Rep. Emmett Roberts, said the bill to split up the lake had been approved by a house committee and sent to the floor. Roberts said he believed the bill would be beaten if it came to a floor vote.

The commission also took cognizance of the fact that a proposed senate bill will probably never get out of committee hearings since there will not be time in the closing hours of the current legislative session.

## Must Go Home Early? No - It's Summertime

A change in regulations setting hours for the sale of liquor in areas outside municipalities and under control of the county, is being considered by the County Commission.

Request for such a change was made by a supper club operator whose place of business is located on the outskirts of Belle Glade. The operator asked the commission to rescind a resolution adopted several years ago where hours of operation were set at midnight on weekdays and 1 a. m. on Saturdays.

The petitioner said when the resolution was adopted, it had been done with the idea of establishing standard closings for all liquor houses in the Glades. Since that time he said, new hours permitting later closings have been adopted by South Bay and Pahokee.

The commission instructed its attorney to compile all information in connection with the request and to review closing solutions adopted by the commission and to make a report to the board at its next regular meeting.

## Lake Level Week Ending May 24 13.10 Feet

## Rainfall Week Ending May 24 None

## Let Him Clean The Lake There's Lots Of Canals

County Commissioner Edward Bandlow, Lake Worth, Monday asked his fellow commissioners to lend their support to experimental research which may lead to a new industry for the area.

Bandlow reported that Ted Murray, Lake Worth, requests the county board to grant a franchise which would allow Murray to gather grass and moss from county controlled lake waters.

Commissioner Bandlow said Murray wants to start his experiments with grass and moss taken from Lake Osborne and extend the activity to Lake Okechobee. The water plants will be used in experiments for the manufacture of a commercial product.

The commission expressed interest in the proposal and decided to take Murray's request under advisement for possible future action.

## BG High Announces Graduation Activities

Approximately seventy-five seniors at Belle Glade High School are excitedly preparing for graduation activities, which have been announced as follows:

Senior Class Night: June 2, High School Auditorium  
Baccalaureate Service: June 4, Community Methodist Church  
Graduation: June 8, High School Auditorium

All the foregoing will be evening programs in order that the public will be able to attend.

## Local Church Men Hear Tom Watson

Tom Watson, former director of WSWN Radio Station and a resident of Belle Glade will address the men groups of the Presbyterian, Methodist, Baptist and Episcopal churches at the First Baptist Church Friday night May 27th at 7:30 p. m.

Mr. Watson is appearing under the auspices of the combined groups, and the public is invited to attend.

Since leaving Belle Glade, Mr. Watson has devoted his time to world missions. He has established a radio station in Korea where the gospel is spread to countries behind the Iron and Bamboo Curtains.

Mr. Watson's natural ability as a public speaker is given impetus through his educational background, his experience in his chosen field and devotion to his subject.

## Week Ending May 23

## Charles Royal Honored At Stetson Barbecue

Beta Alpha Sigma, professional business fraternity at Stetson University, held its annual barbecue this week in honor of the following graduating seniors:

Charles Royal, president of Belle Glade; Charles Groover, past treasurer, of 805 Peninsula St., Tampa; Dave Barrow, past secretary, of 810 E. Fox Lane, Milwaukee, Wis.; Grady Cason of Ft. McCoy, Kenneth Flook of 1158 Isabelle St., Williamsport, Pa.; Max McWhorter of Bremen, Ga., who designed the fraternity pin, and Tom Towns of 111 W. Fayette, Hillsdale, Mich., all Charter members, and Jim Schweikert of 1845 Thomas, Hollywood, a 1960 61 member.

## Car Movement To Date: Corn Accounts For 75% Of Volume Loss

### Leaf Crops Only 10% Below 1960 Cars

Mr. G. F. Pittman's records as Federal Crop Reporter for the area shows a loss approximately 8 percent in total cars equivalent from the Glades in vegetables compared with the same date of '60.

A total of 21,266 carlot equivalents have moved from the Glades up until May 23rd, as compared with a total of 23,156 as reported on May 24th (Tuesday) of last year.

In dollar volume, most brokerage and packing houses agree that there is also a slight decrease in per car average this year over last.

Corn, a victim of early frosts across the area, has lost 1183 cars this year over last in the figures of 4922 in '60 against 3754 as of this date.

Beans, to the surprise of many, is approximately 11 per cent over last year's total movement on comparative dates - 2288 last year and 2532 this year. Processors, canners mostly, have accounted for 1600 of this year's cars.

Nine leaf crops - salad bowl vegetables - have accounted for 2284 cars this year against 3175 for last year. Parsley is one carlot equivalent less this year than last, 101 against 102.

Peppers account only 46 carlots this year against 332 the same time last year, while potatoes show a loss of 195 cars from 1960.

## On Strong Market Prices \$10 To \$27

Some inferior cows and one camper steer brought a bottom price of \$10, with Good steers brought going as high as \$22.50. Good stocker calves up to \$25.40 and Good slaughter calves reaching the \$27 figure, in a generally strong market Monday.

BOB WELTY (right) winner of the 220 yard dash at the University of Gainesville State track meet is pictured above with coach Therrall Luke. He holds the record of one of the fastest timings a high school boy has ever had on the 220 in Florida.

Robert Welty of Belle Glade won the 100 yard dash and 220 yard dash championships in the recent Class A State Track meet at Gainesville.

Welty, who is only a junior, moved to Belle Glade from Ohio at the beginning of last year. Upon entering Belle Glade High school he had participated in no athletics. In his first year of track as a sophomore, he ran chiefly in relays and helped to qualify the 880 relay team for the state meet last year. When track season began this year, he concentrated on running the 220 yard dash, and went undefeated through three meets. He then began to run the 100 yard dash.

Welty continued his winning ways for the remainder of the season, in the course of which he won the County, State Conference and District championships in both events. His best time in the 100 is 10.0 in

Photo by Averill  
The conference meet, and his best time in the 220 was 21.7 at the district meet at the University of Miami. This is one of the fastest timings a high school boy has ever had on the 220 in Florida.

At the State meet Welty lost his only race of the year in the trials of the 100 yard dash, but he won the final, however, with a time of 10.3 and the 220 with a 22.5 time, which tied the existing state record. Welty's wins in the meet gave the Rams a total of ten points, good for eighth place in final state standings.

Welty said limited action on the Junior Varsity football and basketball teams last year, due to inexperience, but is expected to help in both these sports next year with added experience, according to the coach.

Welty is exceptionally big for a sprinter, standing 6 ft. 2" tall and weighing 180 pounds.

## 56 Entertained At Second Annual DCT Banquet Here

STUDENTS, EMPLOYERS AND VISITING DIGNITARIES were caught by the camera at second annual DCT banquet held recently at Ray's Smokehouse in South Bay. The seventeen students of this year's program were hosts at the dinner, entertaining a total group of 54. Reports given during the evening by DCT Coordinator Wayne Fortenberry indicated another very successful year from the program in Belle Glade.

## 48,387 Interested In Government

### Rogers' Questionnaire Reveals

Congressman Paul Rogers has continued a practice instituted by his father, Dwight, with increasing participation each year. The public in the Sixth District is asked for opinions on pertinent questions affecting our national government.

The greatest number answered this year, and opinions received overwhelming favor of "reduced foreign spending," systematic annual repayment of debt and against union picketing.

Question	Yes	No
1. Do you favor reduced foreign aid spending?	91%	9%
2. Do you favor the proposal to make a compulsory medical care plan for the aged part of the Social Security program?	35%	45%
3. Do you favor using Federal funds to aid "depressed areas"?	70%	30%
4. Do you favor Federal aid for: (a) School construction? (b) Teachers' salaries?	32% 48% 35% 67%	
5. Do you feel that the Federal Government should assist in solving problems affecting migrant laborers?	56%	44%
6. Do you favor legislation which would: (a) Raise the minimum wage from \$1.00 to \$1.25? (b) Extend the coverage of the present Wage and Hour law?	36% 44% 61% 39%	
7. Do you favor my proposal for systematic annual repayment of the national debt?	95%	5%
8. Would you favor an amendment to the Taft-Hartley labor law which would permit union picketing at construction sites?	21%	79%

## Uncle Dan From Democrat River

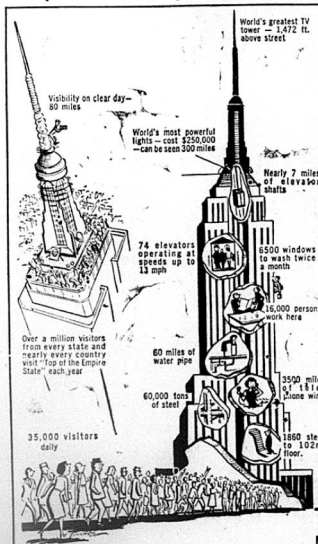

Dear Mister Editor:  
 It looks like things are both good and bad around the country at this writing. I see where some company in Detroit is making "wimmen-sized" lawn-mowers for this summer. That's good.  
 Then I see this piece in a magazine where they have about quit making desks, chairs, typewriters and such things in anything but fancy shades to match the color of walls. That's bad.  
 If a company wants pink adding machines and yellow typewriters to match the paint job on the walls, there is going to be complications. There ain't no female stenographer or secretary that's going to work on these things without having clothes to match. That situation could upset the national economy.  
 The country was getting along pretty good back yonder when we didn't have nothing but two-toned Democrats and two-toned Republicans, but then car manufacturers come out with the two-toned automobile and every body started going two-toned crazy. For instance, I was in town Saturday and saw a teenager wearing a pair of yellow pants and a red shirt. But I reckon folks will gradual get used to pink stenographers, just like we got used to two-toned politicians and automobiles. I reckon when the boys come home from the first World War

wearing wrist watches and everybody thought they were crazy.  
 The papers say unemployment is still pretty bad in this country, and in the next column I see where the Government is asking for \$350,000 to import Mexicans to help on the farms. I reckon we got a heap of people out of work that would rather stay out of work as work on the farm. And just between me and you confidential, Mister Editor, after plotting in this salt mine 40 year, I got a heap of sympathy for 'em.  
 Naturally they ain't no unemployment in the Government, see where the Army, for instance, is increasing its civilian employees by 35,000, giving 'em \$47,000 civilian workers, or one for ever two soldiers. And I see where this column writer claims employment will pick up a heap when the Government gets started on its multi-billion dollar Federal road program. Knowing how the Government does things I reckon it'll take several thousand employees just to work on the depots. A heap of them Congressmen, Mister Editor, don't live on the main road, but it's a comfort to know, employed or unemployed, a fellow don't have to set somep else no more for a rainy day. The Government is now furnishing a umbrella for them occasions.  
 Yours truly,  
 Uncle Dan

## Scouters Advanced

### Training Program Held At Ft. Drum

An outdoor Training Program for Adult Scouters was held at Camp Sudbrook, located at Ft. Drum, on Saturday and Sunday, May 20th and 21st. Camp Sudbrook is the new Council Camping Area, donated for Glades District use by Mr. Richard L. Sudbrook of Fort Drum.

The course was conducted by E. W. Weaver, Leadership Training Chairman of Lake Harbor, R. H. Lewis, Course Director, Frank S. Thomas, Assistant Course Director, C. W. Kidd and E. W. Weaver, III, all of Belle Glade. Louis T. Mims and Carl Watson of Pahokee, Warren Brown of South Bay, George McMichael, Robert Marquis and Stanley Tomaszewicz of West Palm Beach. A total of 35 men attended the session which started at 2:00 p. m. Saturday and closed at noon Sunday. The subjects taught were outdoor skills of Scoutcraft, enabling the Scoutmasters and Troop Commissioners to present a more interesting outdoor program to the boys in the Troops.

This course marked the first time an advanced Training Course has been held in the Glades District, and had Scouters attending from other Districts of the Gulf Stream Council. Particular emphasis has been placed on the Training Program for the Glades District Scouters, and as a result, we now have 3 qualified instructors of Adult Scouters, where 2 years ago we had none. A continuation of this Training Program in our District will assure the successful operation of all our Troops in the Glades Area.

Other areas represented were Clewiston, Belle Glade, South Bay, Pahokee, Okechobee, Fort Drum, West Palm Beach, Lake Worth and Boynton Beach.

"Buckskin Awards" were presented to 22 Scouters, acknowledging outstanding work in the field of Advanced Training Techniques. The "Instructors Badge" was awarded to Frank H. Thomas of Belle Glade, giving the Glades District our 3rd qualified instructor for adults.

## Caloosahatchee Work Will Require Years

A multi-million dollar improvement of the Caloosahatchee River, it is announced by Riley S. Miles, chairman of the Central and Southern Florida Flood Control District Governing Board.

The entire job of deepening, straightening the channel and other improvements of the river is expected to take several years and is being done in sections.

The first section is from the old Olga bridge to a point east of the Caloosahatchee River. Myers, a distance of slightly more than eight miles. Actual construction of this first section will cost about \$2 million. Contracts for continuing the work will be let in subsequent fiscal years.

The entire job will supply primary benefits for 1,223 square miles. The first section of this work is scheduled for completion by March 15, 1963.

The main work is expected to begin early in June when the big dredge "Illinois" arrives at Olga and, with other major equipment actual construction is commenced in the river.

On completion of the work in the lower reaches covered by Section 1, the channel will be about 25 feet deep, according to Miles, and will have about a 700-foot top width.

Cooperative Council of Palm Beach County. Carro's committee sponsors and acts as the policy setting group for the Traffic Bureau.

Mr. Carro pointed out, to Bureau participation in a case before the Florida Railroad and Public Utilities Commission in which an attempt of intrastate truckers to raise the rate 15 per cent was held to 5 per cent, saving Palm Beach County shippers \$48,000 over a period of a year.

## Omicron Chapter Installs Officers

MRS. JENNIE BEECHER, National vice president of Sigma Eta Sorority of Fine Arts, Inc., was installing officer of the Omicron Chapter for the coming year. Second Mrs. Mabel Luth was installed president. Mrs. Luther Jones, corresponding sec.; Mrs. Lillian Masonic, vice-president; Mrs. Ray Whitlock, historian; Mrs. Clarence Kidder, recording secretary.

The meeting of Omicron Chapter of Sigma Eta Sorority of Fine Arts, Inc., was held at the home of Mrs. Lillian Masonic at South Bay last Monday evening, in an impressive ceremony.

In addition to those installed in the above picture, Mrs. Mabel Luth was proxy for Mrs. Marjorie Hatton, treasurer, who was not present.

Lovely corsages were pinned on each officer as she was installed. These were made and donated by Mrs. Masonic. An orchid corsage and a gift of a beautiful handmade plaque was presented to Mrs. Beecher in better half of the chapter by Mrs. Luth.

Presented to Mrs. Beecher in better half of the chapter by Mrs. Luth. Fine Arts marking the installation of officers by Mrs. Jennie Beecher, National vice president, was conducted at the home of Mrs. Lillian Masonic at South Bay last Monday evening, in an impressive ceremony.

## Radio Contestant Wins Trip To South America

A prize winning essay on Improving Culture and Economic Relations with Latin American has won a trip to South America for a Palm Beach County resident.

The winner, Miss Janet Street of West Palm Beach, was one of 25 announced in various sections of the Southeast. She is currently associated with Good Samaritan Hospital as a nurse.

Miss Street's essay emphasized the importance of teaching Spanish in our schools, especially at a young age when children are most receptive to learning a foreign language.

Miss Street has not determined the exact date she plans to leave for South America, but expects that it will be during the months of June or July.

Local radio station WRIM announced the winner as one of a number of radio stations participating in the contest.

## Belle Glade Personal Notes

Guests of Mr. and Mrs. C. J. family, the E. M. Mathews. Friday the past Wednesday through Friday were Mr. and Mrs. Hobbs Waters of Barnstable, Pa., and Mr. and Mrs. George Gillen of Coral Gables.

Mrs. E. M. Van Landingham and guests, Mrs. Francis Harris, Mrs. James A. Ball, Jr., and Mrs. Peter LaChance left Monday on a 10 day trip to Mrs. Van Landingham's summer home on Sugar Loaf Mt. near Edinville, N. C.

Mr. and Mrs. Beecher are on vacation trip to Florida from their home in Indiana, and Mrs. Beecher is making her annual inspections of all Florida Chapters while here.

Mr. and Mrs. Dean Alford and Della Altmann returned last Friday from a trip with Mrs. H. Reynolds and family of Barlow. They attended graduation exercises at Cleveland, Tenn., went sightseeing on Lookout Mountain and returned through the Great Smoky Mts. They had a most enjoyable time taking pictures of all the sights and brought home some water from the mountain streams.

Mrs. Eliza Jane Steve, who recently celebrated her 90th birthday at the home of her grandson Dr. Howard Hill, is able to be up and about with her crutches. She has been bed ridden for some time, due to injuries received in a fall. She is making miraculous recovery for her age.

Guests of Mr. and Mrs. George Imes Wednesday through Friday were her brother-in-law and sister, Mr. and Mrs. H. H. Brown of Atlanta, Ga.

Mr. and Mrs. M. S. Mathews of Ft. Lauderdale spent the weekend as guests of his son and daughter-in-law, Mr. and Mrs. Joe Boyd and Fred Greer of Belle Glade. Mr. Greer came home Sunday and is getting along fine.

Junius T. Harris who underwent surgery Tuesday evening at Good Samaritan Hospital, West Palm Beach, is getting along nicely according to Mrs. Harris who visited him Wednesday morning.

Rev. and Mrs. Malcolm of Jacksonville are on vacation and touring places of interest in Florida, accompanied by their son and daughter-in-law, Mr. and Mrs. Edward L. Malcolm.

They visited friends here this week. The Rev. and Mrs. Malcolm stayed at the home of the Figueroas and the Edward Malcolms were guests of Mr. and Mrs. S. M. McAllister.

Mrs. Rosa V. Cook entered Good Samaritan Hospital Sunday and underwent surgery on Monday. She is getting along fine but will be confined there for 12 days.

Mrs. Rosa Nash, assistant postmaster, attending the 33rd annual Convention of Florida Branch, National Association of Postal Supervisors held at the Hotel Pennsylvania, West Palm Beach.

Mr. and Mrs. William Hearn and family during the weekend were her parents, Mr. and Mrs. B. V. Hadercant of St. Petersburg.

Mr. and Mrs. Ben Forrest spent Wednesday in Tampa. On June 1 they will be leaving to attend a toy showing in Atlanta. They expect to be gone a week.

Mrs. H. M. Sunday has returned to her home in Milwaukee, Wis., after enjoying a two weeks visit with her daughter, Mrs. P. C. Kirchman and family.

Mr. and Mrs. Milton Carpenter and family and Mr. and Mrs. H. E. Vater and three daughters enjoyed an outing at Riviera Beach on Sunday.

Dr. Dewey R. Roach, interim pastor at First Baptist Church is attending the Southern Baptist Convention at St. Louis, Mo., this week. He will return in time for services here on Sunday.

## Bridge Party Aids Library Fund

A bridge party was given at the Elks Club Saturday afternoon for the benefit of Belle Glade Library. To purchase additional juvenile books. Entertaining were Mrs. Harold Zumpt, Mrs. Jimmy Williams, Mrs. Howard Payne and Mrs. Jack Whitlock. Four tables were in play. Mrs. Warren Battle was presented high score prize, Mrs. William Harker, second high prize and Mrs. J. P. Jones, consolation prize.

Other guests were Mrs. Harold Brunson, Mrs. Charles Betner, Mrs. James Finan, Mrs. Hagan Powell, Mrs. Bert Roemer, Mrs. George Wedgworth, Mrs. John Rakus, Mrs. Walter Roth, Mrs. C. A. Bailey, Mrs. Gene Huebner, Mrs. Clarence Kidder, Mrs. C. E. Crisfield and Mrs. Kathleen Livingston.

Refreshments of homemade cookies, nuts, minis, coffee and Cokes were served.

This was one in a series of card parties and luncheons given for the library fund started several weeks ago, to purchase books so that children up to 12 years, would have a selection of books for their summer reading.

## L. Harbor Methodist Church Is Renovated

The Lake Harbor Methodist Church has been recently been renovated, painted, and new lights installed. Two Sunday School rooms were removed giving the church much more needed room.

The interior was painted a light cream with the ceiling, woodwork and floor and furniture done in mahogany finish. Four hanging lights were installed in the center of the building giving a better lighting for the church. A new carpet was put down of tan tweed material. The outside was given a coat of white paint and the new roof will soon be finished. The parsonage will be painted this week.

**Charlie Fulton Installed  
As State Bar President**

Charles B. Fulton, West Palm Beach lawyer, was sworn in as President of the Florida Bar during the eleventh annual convention in Hollywood May 18-20.

The oath of office was administered by Court Chief Justice Elwyn Thomas.

Active in bar work for many years, Fulton was a member of the first Board of Governors to serve The Florida Bar after its organization in 1950, and since that time has served six terms as a member of the Board. During 1959-60, he was chairman of the Bar's committee on legal institutions, planning and presenting courses of post-graduate legal education for Florida's lawyers. Fulton has been active in the work of the Palm Beach County Bar Association, serving as president in 1948-49, and is also a member of the Florida Bar Association. A graduate of Washington and Lee University and the University of Florida College of Law, he is a former assistant attorney general for the state of Florida, and was acting state attorney for the fifteenth judicial circuit in 1942.

Try a little lime juice with sliced avocado. Brush on butter or margarine to preserve avocados' natural gold color.

**These Girls Are New Rainbows**

Photo By Allen  
ORDER OF RAINBOW initiated four girls at the regular meeting of the Chapter conducted at the Masonic Temple. Miss Cinda Ponder, worthy advisor presided. Initiated were left to right, Cherry Bridges, Anna Roberts, Patricia Hodges and Jorri Crews. The four new members make a total of 90 girls in the Belle Glade Assembly No. 1. Mrs. Mary DeGraw is mother advisor for this big assembly.

**Water And Sewerage  
Officials To Attend  
Annual Short Course**

Clarence Thorpe, Suplt. of Belle Glade Water Department and James Moon in charge of the Sewerage Plant will attend the 29th annual short course on Water and sewerage at the University of Florida, Gainesville May 29 through June 3.

State Health Officer Wilson T. Sower of the Florida State Board of Health in a letter to state mayors, city managers and other officials connected with private water and sewage treatment facilities stated:

"We are confident that you will agree that the increased knowledge gained by your water and sewerage operation personnel participating in this annual short training course will justify the expenditure of municipal or company funds in order to make their attendance possible. The valuable information that will be acquired will be reflected in improved plant and system operation," the letter said. It went on to indicate that, as in past years, examinations would be held at the end of the course for the certification or upgrading of Class A and B operators.

The annual short course is co-sponsored each year by the General Extension Division of the University of Florida and the State Board of Health, through its Bureau of Sanitary Engineering. David B. Lee, director of the bureau, and chairman of the planning committee, estimated that attendance this year probably would be close to two hundred, and that a number of men would qualify for certification or upgrading of their certificates. He said the course has been of inestimable value thru the years to the people of the state in providing an ever-increasing number of better trained and qualified operators for the water and sewerage treatment facilities which play such a vital role in the life and progress of the state.

**Baptist Girls Auxiliary  
Observes Focus Week**

The G. A.'s of the First Baptist Church, Belle Glade observed Focus Week with an initiation and installation. Services were held for the Helen Masters Jr. G. A.'s of the church.

The colors of the church of gold, green and white were carried out in the decoration of the room the meeting was held in. Each girl was initiated into the auxiliary. Mrs. Leo Danilevich, counselor read the meaning of the program to the girls and their guests. At the close, the girls joined hands in a circle and recited in unison their Allegiance.

Following the services installation of officers was conducted: "vithia" Thiebaud, president; Sherri Burgess, vice president; Agnes Gressinger, stewardship; Ivy Lou Barrett, secretary. Each of the girls were given the charge of their office by their counselor.

Committee Members are Gretchen Danilevich, program chairman; Diane Fussell, prayer; Pat Burkett, Community missions; Paige Groover, mission study.

At the close of the meeting, Mrs. Clyde Parrish of the Gladys Smith Circle, sponsors of the G. A.'s said a prayer of dedication. Refreshments were served by the hostesses Mrs. William Thiebaud and Mrs. William Gressinger.

Guests attending were Mrs. Lamar Hilyer and daughter, Charlotte, Mrs. E. Burgess and daughter, Carla, Mrs. F. Fussell, Mrs. C. Parrish, Mrs. Edward Groover, Ronald and Donald Hilyer, Leo F. Danilevich, Jr.

**Ladies Aid Society  
Will Meet May 30**

(The other—and even more satisfying—half you'll discover the first time you drive a Corvair!)

And when we say "low price," we mean more than merely the pin-pointed figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!

## TERMINATE THE TERMITE!

TERMITES LOVE YOUR HOUSE SO MUCH THEY COULD JUST EAT IT. UNFORTUNATELY FOR YOU THEIR DIGESTIVE SYSTEM IS DESIGNED TO THRIVE ON WOOD THE STRUCTURALLY IMPORTANT PORTION OF YOUR HOUSE. THEY ARE ABLE TO DIGEST WOOD BECAUSE OF THE PROTOZOA (MICROSCOPIC ANIMALS) IN THEIR STOMACHS. TERMITES ALSO DESTROY CROPS AND STORED GOODS.

THE DESTRUCTIVE PESTS ARE FREQUENTLY CALLED "WHITE ANTS" BECAUSE THEY HAVE NO COLOR. BUT THEY ARE NOT ANTS. THEY ARE TERMITES. THEY CAN BE FOUND IN THE SOIL OR IN THE WOOD OF YOUR HOUSE. THEY CAN BE FOUND IN THE SOIL OR IN THE WOOD OF YOUR HOUSE. THEY CAN BE FOUND IN THE SOIL OR IN THE WOOD OF YOUR HOUSE.

most protection

CAN BE GAINED FROM AN APPLICATION OF A CHEMICALLY SILENT INSECTICIDE IN THE SOIL—SUCH AS ALDRIN—BEFORE OR DURING CONSTRUCTION OF HOME. AFTER 10 YEARS OF EXTENSIVE TESTING BY STATE AND FEDERAL LABORATORIES ALDRIN TREATMENT IS STILL 100% EFFECTIVE AGAINST TERMITES.

## Thurmond Knight "Sweetened Up"

Final closing of sale of a tract of the most valuable farmland in Everglades was made Thursday, May 16, when deed was filed in the courthouse. This farm consisted of 823.57 acres of what is known as "Card-apple" muckland, locally thought to be the best and warmest farmland in the entire Florida section of Palm Beach County. The land is in the Pahokee area, in Sections 29, 30, 31 and 32, Twp. 42 North, Range 37 East.

Sellers were Hull Packing Company, Inc. of Pahokee, large successful farm and cattle operators in the area, headed by Walter G. Hull.

The buyer was The Holgate Co. of Fla. Corp.

They plan to use this land for growing sugar cane, to be processed thru the newly proposed \$11,000,000 sugar plant being planned by a group of local farmers, which sugar mill business will be operated as complete cooperative under the name of Sugar Cane Growers Cooperative of Florida.

According to Realtor Thurmond W. Knight, of Riviera Beach, who handled the sale, the

## Floridians May Ride Without Crowding!

Passengers cars increased 153 one car per family. By 1960 the percent in Florida during the number of automobiles reached past ten years while population grew 79 per cent, the Florida State Chamber of Commerce car on the basis of last year's said yesterday in stressing the official population count of 4,951,560 Florida residents.

"Because so many families have more than one car, the average of families in the state stepped up 89 per cent. As a result of these varying rates of growth, the number of cars per family moved up and the average number of persons per car dropped."

"In 1950 there were 794,000 private passenger cars in the state which averaged out to 3.5 persons per car and just under President of the Florida Turf-Grass Association is Ralph F. Jones of Jacksonville.

## Luther Chandler Makes Bread Too!

J. P. Cash has resigned as president of Fuchs Baking Co., Mr. Cash is president and major stockholder of Holsum Bakers of Puerto Rico, Inc., and it is necessary that he devote more time to this business.

L. L. Chandler has been elected to succeed Mr. Cash as President of Fuchs Baking Co., Mr. R. E. Chivers, Vice President, was appointed General Manager.

Luther Chandler long a prominent figure in Florida and Dade County agriculture has taken over the job of Chief Bread Maker for Holsum.

## Charlie Fulton Installed As State Bar President

Charles B. Fulton, West Palm Beach lawyer, was sworn in as President of the Florida Bar during the eleventh annual convention in Hollywood May 18-20.

The oath of office was administered by Florida Supreme Court Chief Justice Elwyn Thomas.

Active in bar work for many years, Fulton was a member of the first Board of Governors to serve The Florida Bar after its organization in 1950, and since that time has served six terms as a member of the Board. During 1959-60, he was chairman of the Bar's committee on legal institutes, planning and presenting courses of post-graduate legal education for Florida's lawyers. Fulton has been active in the work of the Palm Beach County Bar Association, serving as president in 1948-49, and is also a member of the American Bar Association. A graduate of Washington and Lee University and the University of Florida College of Law, he is a former assistant attorney general for the state of Florida, and has acted as state attorney for the fifteenth judicial circuit in 1942.

Try a little lime juice with sliced avocado. Brush on butter or margarine to preserve avocados' natural gold color.

## These Girls Are New Rainbows

Photo By Allen

ORDER OF RAINBOW initiated four girls at the regular meeting of the Chapter conducted at the Masonic Temple. Miss Cinda Ponder, worthy advisor, presided. Initiated were left to right, Cherry Bridges, Anna Roberts, Patricia Hodges and Jorgi Crews. The four new members make a total of 80 girls in the Belle Glade Assembly No. 1. Mrs. Mary DeGraw is mother advisor for this big assembly.

## Water And Sewerage Officials To Attend Annual Short Course

Clarence Throp, Supt., of Belle Glade Water Department and James Moon in charge of the Sewerage Plant will attend the 29th annual short course on Water and sewerage at the University of Florida, Gainesville, May 29 through June 3.

State Health Officer Wilson T. Soward of the Florida State Board of Health in a letter to state mayors, city managers and other officials connected with private water and sewerage treatment facilities stated:

"We are confident that you will agree that the increased knowledge gained by your water and sewerage operation personnel participating in this annual short training course will justify the expenditure of municipal or company funds in order to make their attendance possible. The valuable information that will be acquired will be reflected in improved plant and system operation," the letter said. It went on to indicate that, as in past years, examinations would be held at the end of the course for certification or upgrading of Class A and B operators.

The annual short course is co-sponsored each year by the General Extension Division of the University of Florida and the State Board of Health, through the Bureau of Sanitary Engineering. David B. Lee, director of the bureau, and chairman of the planning committee, estimated that attendance this year probably would be close to two hundred, and that a number of men would qualify for certification or upgrading of their certificates. He said the course has been of inestimable value thru the years to the people of the state in providing an ever-increasing number of better trained and qualified operators for the water and sewerage treatment facilities which play such a vital role in the life and progress of the state.

## Baptist Girls Auxiliary Observes Focus Week

The G. A.'s of the First Baptist Church, Belle Glade observed Focus Week with an initiation and installation. Services were held for the Helen Masters Jr. G. A.'s of the church.

The colors of the auxiliary of gold, green and white were carried out in the decoration of the room the meeting was held in. Each girl was initiated into the auxiliary. Mrs. Leo Danilevich, counselor read the meaning of the program to the girls and their guests. At the close, the girls joined hands in a circle and recited in unison their Allegiance.

Following the services installation of officers was conducted: Cynthia Thiebaud, president; Sherri Burgess, vice president; Agnes Gressinger, stewardship; Ivy Lou Barrett, secretary. Each of the girls were given the charge of their office by their counselor.

Committee Members are Gretchen Danilevich, program chairman; Diane Fussell, prayer; Pat Burkett, Community missions; Paige Groover, mission study.

At the close of the meeting, Mrs. Clyde Parrish of the Gladys Smith Circle, sponsors of the G. A.'s said a prayer of dedication.

Refreshments were served by the hostesses Mrs. William Thiebaud and Mrs. William Gressinger.

Guests attending were Mrs. Lamar Hilyer and daughter, Charlotte, Mrs. E. Burgess and daughter, Carla, Mrs. F. Fussell, Mrs. C. Parrish, Mrs. Edward Groover, Ronald and Donald Hilyer, Leo F. Danilevich, Jr.

# LOW PRICE IS ONLY HALF THE STORY

(The other - and even more satisfying - half you'll discover the first time you drive a Corvair!)

And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair.

You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!

## TERMINATE THE TERMITE!

**TERMINATE THE TERMITE!**  
TERMITES LOVE YOUR HOUSE SO MUCH, THEY COULD JUST EAT IT! UNFORTUNATELY FOR YOU THEIR DIGESTIVE SYSTEM IS DESIGNED TO DIGEST ONLY WOOD. THE STRUCTURALLY IMPORTANT PORTION OF YOUR HOUSE THEY ARE ABLE TO DIGEST WOOD BECAUSE OF THE PROTOZOA (MICROSCOPIC ANIMALS) IN THEIR STOMACHS. TERMITES ALSO DESTROY CHIPS AND STORED GOODS.  
"THE DESTRUCTIVE PESTS ARE FREQUENTLY CALLED 'BORERS' BECAUSE THEY HAVE NO LARVAE. THEY DO NOT EAT UNTIL AFTER THEY HAVE REACHED THE WOOD. THEY ARE AS COMMON AS MOSQUITOES AND AS MANY AS A MILLION EGGS AT THE RATE OF ONE A SECOND, WHEN TERMITES STRIKE THE ATTACKING FORCES RANGE UP TO 250,000 OF THE PESTS."  
CAN BE GAINED FROM AN APPLICATION OF A CHEMICALLY STABLE INSECTICIDE IN THE SOIL—SUCH AS ALDRIN—BEFORE OR DURING CONSTRUCTION OF NEW HOMES. AFTER 10 YEARS OF EXTENSIVE TESTING BY STATE AND FEDERAL LABORATORIES ALDRIN SOIL TREATMENT IS STILL 100% EFFECTIVE AGAINST TERMITES.  
© 1951 - Shell Chemical Co.

## Thurmond Knight "Sweetened Up"

Final closing of sale of a tract of 250 valuable farmland in the Everglades was made Thursday, May 18, when deed was filed in the courthouse. This farm consisted of 253.37 acres of what is known as "Custard-apple" muckland, locally thought to be the best, and warmest farmland in the entire Glades section of Palm Beach County. The land is in the Pahokee area, in Sections 29, 30, 31 and 32, Twp. 42 South, Range 37 East.

Sellers were Hull Packing Company, Inc. of Pahokee, large successful farm and cattle operators in the area, headed by Walter G. Hull.

The buyer was The Holgate Co., a Fla. Corp.

They plan to use this land for growing sugar cane, to be processed thru the newly proposed \$11,000,000 sugar plant, being planned by a group of local farmers, which sugar mill business will be operated as complete cooperative, under the name of Sugar Cane Growers Cooperative of Florida.

According to Realtor Thurmond W. Knight, of Riviera Beach, who handled the sale, the price was \$750 per acre, with a total price of \$417,677.50.

Mr. Hull, the seller, has recently bought and developed a large farm south-east of Canal Point, and will continue operating mainly in cattle and sugar cane in that area.

**THANK YOU**  
The thoughtfulness of our friends and neighbors in the loss of our baby daughter, Jennifer Mary Zywicki, was most comforting and helpful. We extend our deepest gratitude to each of you. Your kindnesses will always be remembered. Mr. and Mrs. Edward Zywicki

**HELP WANTED**

## Floridians May Ride Without Crowding!

Passengers cars increased 153 one car per family. By 1960 the per cent in Florida during the number of automobiles reached past ten years while population 2,007,000 making the average grew 79 per cent. The Florida passenger load 2.5 persons per car on the basis of last year's said yesterday in stressing the official population count of 4, significance of "Florida Highway Week."

"At the same time, the number of families in the state stepped up 89 per cent. As a result of these varying rates of growth, the number of cars per family moved up and the average number of persons per car dropped."

"In 1950 there were 794,000 private passenger cars in the state which averaged out to 3.5 persons per car and just under Jones of Jacksonville."

President of the Florida Turf-state which averaged out to 3.5 persons per car and just under Jones of Jacksonville."

## S. F. Lowery Rites Today At 2 P. M.

Services for Stewart Felton Lowery, 65, of Pelican Lake, father of Louis Lowery and Mrs. Mary Hughes of Belle Glade who died Monday night at a West Palm Beach hospital after a long illness will be held today at 2 p. m. The Rev. Charles Stewart, pastor, will officiate at the Canal Point Baptist Church.

A resident of the Glades area for 23 years he came here from Dublin, Ga., and was field foreman for the U. S. Sugar Corp. He was a member of the Canal Point Baptist Church, the Everglades Masonic Lodge No. 211 and Woodmen of the World.

Other survivors are his wife, Mattie, Pelican Lake; another son, Thomas Lowery of Moore Haven; two other daughters, Mrs. Jaunita Bracewell of Pahokee, and Mrs. Johnnie Cocks of Folsom La.; one brother, C. C. Lowery, Moom, Ga.; 13 grandchildren, one great grandchild. Everglades Lodge No. 211 will have charge of graveside services at Port Mayaca Cemetery.

Pallbearers will be A. C. Clark, J. T. Tucker, Early Maxon, J. D. Stacy, O. H. Sheppard and D. P. Hughes.

Williams-Wetherington Funeral Home, Pahokee, was in charge of arrangements.

## The Years Go By... And Oh, So Fast!

An ingenious and timely display in the window of Sue's Specialty Shop will bring to the mind of many a parent how time flies by.

Sue has grouped individual pictures of this year's High School graduating class around a scroll signed by a majority of the group as first graders. (Her own daughter, Stevie is one of them.)

The scroll reads: "We, the boys and girls of Belle Glade Elementary School, wish to thank the PTA for the new playground equipment. It gives us many hours of fun. Thank you." The printed signature of the little first grader of twelve years ago follows. The scroll had been kept among the records of the PTA and loaned to Sue for the display.

Stop by and take a look... we think you'll enjoy it, even tho it might produce a tear, or lump in the throat, at how short the span until the "little ones" leave the nest.

## St. Lucie Lock Will Be Closed June 5-July 6

Pass Painting Co., of Miami has been awarded an \$18,750 contract by the U. S. Army Corps of Engineers for sandblasting and painting the metal surfaces of the St. Lucie Lock and Spillway on the Okeechobee Waterway.

Located between Stuart and Lake Okeechobee, the lock will be closed to navigation from June 5 until July 6, according to a recent notice published by the Corps of Engineers. Passage will be possible, however, thru the lock chamber for vessels small enough to permit usage. The old lock chamber will be operated daily from 8 to 9 a. m. and 4 to 5 p. m.

The regular lock to be dewatered so the painting and repairs can be completed. Nine firms submitted bids on the project.

Army Engineers also announced that bids will be opened June 15 for maintenance dredging in the channel and turning basin of Horseshoe Cove along the coast of Dixie County, Shalala in the waterway will be removed to assure a minimum of six feet depth at mean low water. Located on the upper west coast of the Florida peninsula, Horseshoe Cove is about 10 miles northwest of the mouth of Suwannee River.

The successful bidder will be required to start work within 15 days after the contract is awarded and complete the job within 90 calendar days. Estimated cost is \$35,000.

## Jaycees & Auxiliary To Install Officers

Belle Glade Jaycees and Jay-Cettes will install their new officers for the coming year with ceremony and banquet this coming Saturday night at Ray's Smokehouse in South Bay. Roy Kimberly is the incoming president for Jaycees; Jessie James, first vice-president; Dick Townsend, second vice-president; Clarence Spivey, secretary; Colonel Rogers, secretary. Election of officers for the Jay-Cettes was held at the group's Tuesday night meeting at the home of Mrs. Clarence Lee. Mrs. Horace Harris will be installed president; Mrs. Fritz Stein, first vice-president; Mrs. Jessie James, treasurer; Mrs. Colonel Rogers, secretary.

It's unfortunate that the symptoms of fatigue and of laziness are practically identical.

Keep in the rut too long and you'll dig your own grave.

**Don't risk a LAWSUIT!**

YOU ARE RESPONSIBLE FOR PERSONAL INJURY CAUSED BY YOUR NEGLIGENCE. NEVER LEAVE PITS OR DANGEROUS PLACES UNATTENDED!

## Outdoor Cooking Days Are Here!

George gets terrific upset if anything interferes when he's cooking. He stinks and looks angry suddenly!

Florida Beef Council

## Fla. Employment Service Aids High School Grads

Some 44,000 Florida High School seniors are thinking of going to college or going to work after graduation exercises. Chairman A. Worley Brown of the State Industrial Commission said here today.

Out of this number, he estimated that about 26,000 will go on to college and about 18,000 will be looking for jobs.

"It appears the economy will improve rapidly now and businesses will need young men and women to build into positions of responsibility for the future," Brown said. "Already 7,000 high school seniors, who do not plan to go to college, have registered with Florida State Employment Service offices for jobs. Many have taken the aptitude tests and job counseling which help them in selecting work which they are best qualified to do."

He pointed out also that high school seniors, who took commercial courses, have been given proficiency tests in typing and shorthand.

"Employers who are interested in talking to these young people should get in touch with their local State Employment Service office," he said.

## Sizes Up Cost Down In American Farming

Since the farm population composes a smaller portion for this country's total population, many people think that farming as a business is waning. But farming in America today, with asset totalling more than 200 billion dollars, is still the country's biggest business.

The 1959 Census of Agriculture reveals that about 40 percent of all the individually owned businesses in the country are farms. But there is a tendency toward corporation farming.

Something of the importance of the part played by farming in the country's business is revealed by the facts that sales of farm products, purchases of farm supplies and services, and goods and services for the family living of farmers and their families provide a market that turns more than 70 billion dollars a year. Farming is easily the biggest single business in the country today.

Census figures show there has been a 20 percent increase in farm size during the past five years. But 17 million people have left farms during the past 20 years, and there are now less than four million farming units in the United States. During the 30 years the number of farms has declined by 40 percent, the farm population by 50 percent, and the of persons employed on farms by 40 percent.

At the same time, our total population has increased from 123 million to 179 million, or 45 percent. A larger proportion of farms than ever before are

being operated by their owners. "Never before in the history of the world," says Dick Hanson, editor of Successful Farming magazine, "has any people had so much food and clothing of such high quality, or such wide variety, and at such a reasonable price as have the people of our United States."

"Admittedly, our current 7 percent or so of agricultural surpluses present us with some very real problems. But, think of the problems we would have if we had a 7 percent deficiency."

When cooking such Florida produced vegetables as cabbage, turnip greens, and snap beans, don't forget ham hock.

Shell test drivers add a "fifth wheel" to their cars for precise distance measurement during mileage tests. It helps them record performance to a decimal point.

## Shell reveals how to increase your mileage up to 30 extra miles per tankful

Here are some tips from Shell's experts on how to get maximum mileage from your car. If you practice these good driving habits—and if you use today's Super Shell, with 9 ingredients for top performance—you may well save a pretty penny on gasoline bills.

1. Don't race a cold engine. When your engine is cold, it uses up more fuel. Today's Super Shell contains Pentane mix for fast warm-up. (A properly operating thermostat helps.)
2. Use a light touch with the accelerator. Tramping down on the pedal is an expensive habit. Starting up, it holds your automatic transmission in a lower "gear" longer. This makes the engine turn faster, wasting fuel. Under way, uneven pedal pressure is costly, too. Instead, foot just enough fuel to maintain even speed.
3. Drive "ahead of your car." Watch for slowing traffic and red lights as far ahead as you can see. You'll be able to coast to the stopping cars, instead of braking heavily when you get there.
4. Don't let fuel costs creep up. If your car "creeps" when idling with the automatic transmission engaged, have your engine idle speed adjusted. You may save plenty.
5. Don't indulge in jack rabbit starts. Racing starts are fine on race tracks—but the drivers are lucky to get 6 miles per gallon.
- NOTE: One thing you can't do anything about is the weather. Yet it's interesting to know that air resistance at high car speed is the biggest single drain on power. It increases approximately as the cube of the vehicle speed. Even fast tails on aerials may cost you gasoline.
6. Check tire pressure—regularly. Keep tires properly inflated. Under-inflated tires increase drag and friction and cut mileage. Not to mention extra tread wear.
- NOTE: Tire pressures build up during a long run. Don't let air
- out to bring the pressure down—it makes the tires run even hotter. Check cool tires only.
7. Check for dragging brakes. Have your Shell dealer check for wheel drag next time you're in for a lubrication. If brakes drag, you pay for it in wasted gasoline and possible engine damage.
8. Get the compression checked. Have the compression checked—it can reveal power-wasting valve and ring conditions.
- Use Super Shell with TCP to give your spark plugs extra life. Replace worn plugs.
- Adjust carburetor for correct air-fuel mixture and proper idle speed.
- Have automatic choke checked for correct operation. Clean or replace filters for air,

- fuel, oil, whenever manufacturer recommends.
- Have automatic transmission or clutch checked regularly.
9. Get regular oil changes and lubrication—including transmission and differential. Your Shell dealer knows what to do. He has the finest equipment and lubricants to do it with. There's a good chance your car and your gasoline will last longer.
10. Show this advertisement to everyone who drives your car—especially if you pay your gasoline bills. Insist that they stop for service at the sign of the Shell.
- While we can't guarantee 30 extra miles per tankful, the closer these suggestions are followed the better your mileage is likely to get.
- To start off right, fill up with today's Super Shell. Its nine ingredients mean top performance.

## Super Shell's 9 ingredients

- #1 is TCP for restored power, added mileage and extended plug life.
- #2 is "cat-cracked" gasoline for power with a purr.
- #3 is Butane for quick starts at all times.
- #4 is Alkylate, noted for knock control in hot engines at high speeds.
- #5 is anti-knock mix for knock resistance.
- #6 is an "anti-icer" to check the cold-weather stalling that can occur even at 45° F.
- #7 is Pentane mix for fast warm-ups.
- #8 is gum preventive—to help keep carburetors clean inside.
- #9 is Plateformate—to add the extra energy that shows up as extra mileage.

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Business Name Unless The Name Is Registered

The law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

As interpreted by attorneys, a person may engage in business under his own name, (such as JOHN JONES), but if he uses any business name, (even such as JOHN JONES' FISH MARKET) he is required to register the name with the clerk of the circuit court in his county, and to advertise the name and ownership of his business.

### Gator League

Angel Bros. Texaco is in first place with 60 pins, and total pins of 6470. Bob Davis Buick in second place with 57 1/2 pins, and 6775 pins. Fla. National Bank in first place, Rancheros, 2nd and BG Medical Center third. Jerry's Boy of Beauty rolled high game, 824 and also high set, 2304. Individual honors went to Bobby Lee with a 202 game and a 545 set. Doris Priest rolled 189 game. This was the final game. The awards will be announced later.

### Fourtime Funsters

Chapman and Richmond in first place 914, Folds and Roman, 69. Chapman and Richmond rolled high game 706 and high set, 2095. Richmond and Miller rolled second high game 695 and Folds and Roman sec-

ond high set, 1995. For the men, Bill Graber had a 611 set and a 212 game; Jerry Gunter had a 215 game and 587 set; Benny Richmond had a 211 game and a 585 set; Ted Roman rolled a 212 game and a 532 set. In the ladies games Gee Gee Collinsworth rolled a 220 game, 550 set; Dot Graber rolled second high game of 186, and Mary Richmond second high set of 499.

### Gladesettes League

Richmond Plumbing in first place 784, Graber second, 7052. Richmond's rolled high game of 833 and second high set of 2279. Grabers rolled second high game 738 and high set of 2325. Dot Graber bowled high game 209 and second high set 509. Mary Richmond rolled second high game 205 and high set of 518.

### Glades 4-Hers To Attend Short Course

The Annual 4-H Club Fun Day was held on Saturday, May 20 at the Mount Agriculture Building, West Palm Beach. It was attended by about 150 4-H Club members and 11 leaders. The program included a Boy's 4-H Club parliamentary procedure contest, Boys' and Girls' Council meetings, picnic lunch and pool party at the Lake Worth Casino.

The Glades girls who will represent Palm Beach County at Girl's Short Course Tallahassee, June 12-17, are: Helen Zywicki, Bean City in the State Dress Revue, modeling her dress and Daphne Henderson, South Bay.

Janette Harrington, President of Girl's County Council, who won the poultry scholarship to Short Course, given by the State Department of Agriculture. Franny Hall and Karla Mansfield from South Bay, and Ann Murray from Belle Glade, were also chosen but will be unable to go.

Those attending from the coastal area will be Donna Curry, Lake Worth; Linda Day, Lantana; Louise Ashton, Merrie Lee Artell, and Holly Hand-

ler, West Palm Beach; Helen Patchunka and Jane Drake, Fort Pierce; and Pamela Horton also of Lake Worth. Lynn Nicely, Pahokee, and Mike Mansfield, South Bay, will attend the Boys' 4-H Short Course at Gainesville June 12-17.

The winners of the Boys' parliamentary procedure contest were: Military Trail 4-H Club, first place, and the South Bay Boy's 4-H Club. Each will receive a trophy.

### In Service

Dewey Waldron, son of Mr. and Mrs. Elton B. Waldron, is home on a 28 day leave after graduating from Lackland Air Force basic training center near San Antonio, Texas.

He completed the eight weeks course on May 11 and will report to McGuire AFB, N. J. before leaving for Germany for two years.

Brownie Troops are finishing the current year with outings and other activities. Troop 169 had their big event Saturday with a cookout. Their leader, Mrs. Pat Zier and assistant leaders, Mrs. Carafay Walls and Nancy Smith met with 17 Brownies at the Girl Scout hut Saturday morning and were transported to the Country Club by car.

They then hiked across the golf course to the picnic area at the Marina where they enjoyed a cookout including a winner roast followed by a watermelon cutting. At 3 p. m. they came back to the Belle Glade Municipal Park and had a skating party. Some of the girls had been taking skating lessons from Francie Ball, but a few had never skated before so they all had a marvelous time for their last get-together for the season.

Brownies enjoying the days activities were Kay Bore, Joan Ellis, Sue Gilbert, Marie-cela Guadalupe, Vanda Hansford, Beverly Hill, Jessie Livingston, Melissa Maynor, Jennie Lee Smith, Mary Tenny, Deborah Thomas, Diane Walls, Jean Wolf, Linda Sue Ziglar, Nancy Henley, Jean Leavitt, Linda Bonard.

Mothers attending and assisting were Mrs. Peggy Maynor and Mrs. Reba Gilbert.

Mrs. George Imes, leader and Mrs. William Carlson assistant leader, of Brownie Troop 41 took the girls numbering 12 to Indiantown to the new marina picnic ground Saturday afternoon on a cookout. They enjoyed not dogs and all the trimmings, each Brownie cooking her own. Everyone had a wonderful time.

Those attending were Marian Morris, Rebecca Bryson, Karen Mathews, Carol Imes, Darlene Fussell, Paula Bearden, Carol Jean Priest, Robin Gavlin, Linda Carlson, Donna Gay Connell, Randy Davis.

Mrs. Imes, wishes that during the summer months when the Troop is not having regular meetings, that each Brownie keep in touch with her as she plans to have a social meeting or get together several times.

Last Tuesday afternoon, Brownie Troop 281 entertained their mothers with a social on the scout bus grounds. The hostesses were Mrs. Clarence Kidder, and Mrs. Mendal Luce. The girls presented their mothers with recipe holder books. Mrs. Danilevitt and Mrs. Fussell were presented corsages by their daughters. There were 24 present.

It was announced that on June 8 there will be a swim party and then a campout at the bus to wind up the season of the year for Brownie Meetings.

## Students Of Cooperative Jr. High Entertain Glades Advisory Group

The students of the Cooperative Junior High Project entertained supervisors, principals and teachers of the Glades Advisory Committee and guests at the homemaking room at 3:30 p. m. May 17.

The girls of the department under the direction of Dr. Beulah Ward served as hostesses for the occasion. They presided at the guest books and served at the refreshment tables. The refreshments, prepared by the girls were displayed on a table covered with a white linen and lace cloth. They included orange chiffon, pineapple upside down, cream and banana nut cakes, small ham-filled biscuits, tea and coffee.

A program was presented by the girls in the Future Homemakers of America Club and

two boys from the industrial arts section. The program centered around the year's activities of the group. Mr. Herman Close showed documentary colored slides depicting activities during the year.

Mrs. Kathryn Cunningham, chairman of the Advisory Committee presided at the business meeting. Guests were introduced and recognized. The state of officers for the 1961-62 school term was presented. Mr. Close was named chairman and Mrs. Margaret Mosley was elected secretary. Various handwork projects made by the students were on display in the two rooms and the group had the opportunity to see some of the accomplishments of the students during the year.

Student enrollment includes: Gwen Allen, David Barwick, Harry Chance, Robert Davis, William River, Stephen Towell, Glenn Williams, Gayle Sullivan, Victor Reidel, Israel Herrera, Bethaisha Ramon, Gayle Rogers, Annie Mae Wallis, Odell Muniz, Carolyn Parsons, Barbara Ann Simmons, Robert Green, Michael Harris, Jessie Holland, Richard Kruse, Jose Muniz, Eugene Shelton, Robert Bryant, Lemna Brady, Ray Champion, Minerva Diaz, Ruth Haymes, Linda Haymes, Elaine Johnson, Maribel Lopez, Dorothy Lance and Amelida Gonzales.

Others attending were: Dr. Edna Parker, Mrs. Olen Strickland, Elvelda Fike, Dave Miller, Glenn Kipp, Julian Griggs, Margaret Taylor, Miriam Lo-Pinto, Kathryn J. Latham, Mrs. Ivan Van Horn, Mrs. Abby M. Zumpf, Miss Sara Creech, Mrs. Mae Shauher, Mrs. Margaret H. Mosley, J. R. Nutt, W. W. White, H. Austin, Brooks Henderson, V. G. Denton, Kyle P. Scott, Carl Crawford, Mrs. Minnie Williams, Mrs. Bena Holard, Pellon Morris, Mrs. Kathleen Rogers, L. C. Williams, Joey Windham, Eugene Wilson, Hector Ouellette, Riley Foster, Mrs. Ruth Irvin, Mrs. Mabel Lutz and Mrs. L. P. Parson.

Florida laying hens may now be fed automatically - from storage bin to trough.

### DOWPON controls cattails and problem grasses along ditches

A regular spraying program with DOWPON® puts an end to the continual expense and hard work of burning, chopping or cultivating Johnson or Bermuda grass out of crop lands and cattails out of ditches. In headlands and along fence lines, too, DOWPON eliminates grass—for it kills the deep roots as well as tops. Through cumulative action, this program becomes less costly each year. You'll find DOWPON cheaper than chlorates or borates, less messy than oiling. Simply mix DOWPON with water, and spray.

\*Trademark of The Dow Chemical Company

Enjoy As You Ride! Pay As You Go

Budget Terms As Low As \$19.70 Mo.

Not only on those country-crossing car rides... but in the city, driving anywhere, the benefits of A.R.A. auto air conditioning become obvious, instantly. For all the wonders and pleasure of summer, who wants to sit on sun-baked upholstery or be shut inside a mobile Turkish bath?

There is nothing sweeter on a hot day than a breath of cool air. And for cool air while you're driving, there is nothing better for your car—and for you—than an A.R.A.

## Chosen Garden Club Installs Officers

The home of Mrs. Walter Roth of West Lake Road was the scene of the Chosen Garden Club's installation luncheon, Wednesday, May 17.

Mrs. Irvin Zumpff was installing officer. The following were seated for the new year: President, Mrs. S. B. Cowart; vice president, Mrs. Harold Gilbert; secretary, Mrs. George Hudspeth; Treasurer, Mrs. Clara Stinson.

Four couples from Belle Glade attended the Beta Sigma Phi State Convention held at the Galt Ocean Mile Hotel, Fort Lauderdale, May 19-21. This was a marvelous time for Lois and Bob Davis, Gene and Francis Cross, Lucille and Neil Deane from Belle Glade and Louise and O. G. McWhorter.

## Jerry McKee Family In Lake Placid News

The Jerry McKee family, formerly of Belle Glade, now residing in Lake Placid were in the news last week. Evelyn McKee was recently installed as treasurer of the PTA and their son Corky was chosen Boys state representative. Craig Boots, former Belle Glade boy was named alternate.

The McKees are also in the bowling news. The ladies team, sponsored by Jerry McKee, the Tropical Farms Team held sixth place out of 16 teams and received a first place award for the high hand three game series 28-11 and a third high scratch game 9-11. The Leagues were represented from Avon Park, Sebring and Lake Placid.

Awards were given at the annual bowling banquet held at the Jacaranda Hotel, Avon Park. Evelyn McKee carried away three honors in being second high scratch game 235, third high scratch set 459 and third high average girl for the season with a 158.

## Beta Sigma Phi Group Attend State Convention

Four Couples from Belle Glade attended the Beta Sigma Phi State Convention held at the Galt Ocean Mile Hotel, Fort Lauderdale, May 19-21. This was a marvelous time for Lois and Bob Davis, Gene and Francis Cross, Lucille and Neil Deane from Belle Glade and Louise and O. G. McWhorter.

Presentations and awards were presented Friday evening. Miss Betty Center of Miami was announced the "State Girl of the Year," the highest honor to be attained. She was Dade "Girl of the Year" for four years.

Other highlights of the convention was a buffet dinner at the pool, followed by a dance from 9 to 1 a. m. in the ballroom with music by Johnny Masters and Orchestra.

Saturday night there was a Luau with Puulani presenting a show after dinner. A floor show and Hawaiian dances were given and the ladies were called on stage to be taught the hula dance. They were sarong mus, bathing suits and shorts to be comfortable. After the ladies, the tents were called and O. G. McWhorter was the only one from Belle Glade who joined to be the hula dancers.

Everyone enjoyed the fun and entertainment and next day returned home. It was announced the convention next year will be in Orlando.

## Indian Prairie Canal

OF C & SF Diked

Four construction projects costing nearly a million dollars have been awarded by the U. S. Army Engineers in Jacksonville.

A Louisiana firm, G. D. Knickerbocker, Inc., was the lowest of seven bids \$745,497.00 on the project which calls for dike construction along the northwest shore of Lake Okechobee in Glades County. Levee 48 work consists of 8.47 miles of new levee construction and about three miles of rebuilding along Canal 10, known as Indian Prairie Canal. Levee 39, an interceptor canal northwest of Levee 48, is 10.3 miles long and is in the vicinity of the Kissimmee River.

Mr. and Mrs. C. A. Revels and Mr. Joe Revels, Mike and Debbie of Belle Glade spent Saturday in West Palm Beach.

Mr. and Mrs. Charles Kelly and Sherrell and Mr. Kelly's father of Cullman, Ala., have spent the past week with Mr. and Mrs. Ernest Archer, Mr. and Mrs. Fred Archer and children, Mr. and Mrs. Faith Harris of Avon Park were Sunday guests of Archer's.
